

# TWIN SWEEP 900E

The robust up to 4.000 m<sup>2</sup>

**NEW**

Folded-out side brushes,  
excellent maneuverability,  
Double roller system

*The newest innovation of a walk-behind sweeper: high-performance and a modern design. Warehouses, commercial spaces and parking lots, the robust and very agile Twin Sweep 900E is the ideal choice, available in three options! Whilst all share the same strong sweeping performance of the twin-roller system, the Pro-version offers a powerful suction, folding-out side brooms and an extended battery run-time.*

# FACTS AND FIGURES

## THE DETAILS

The robust walk-behind suction sweeper is designed for professional applications. Its impressive maneuverability and comfortable forward traction results in efficient cleaning of large spaces. Sweeping in narrow aisles is easy with the Twin Sweep 900E. The integrated foldable side brooms increase the sweeping width when needed and make sweeping in corners and under racks an easy task. The extra-large front wheels ensure an excellent maneuverability. The TRS sweeping system patented by Stolzenberg in combination with a superior dust control and filter performance effortlessly removes all kinds of debris, sand and dust.

## THE BENEFITS

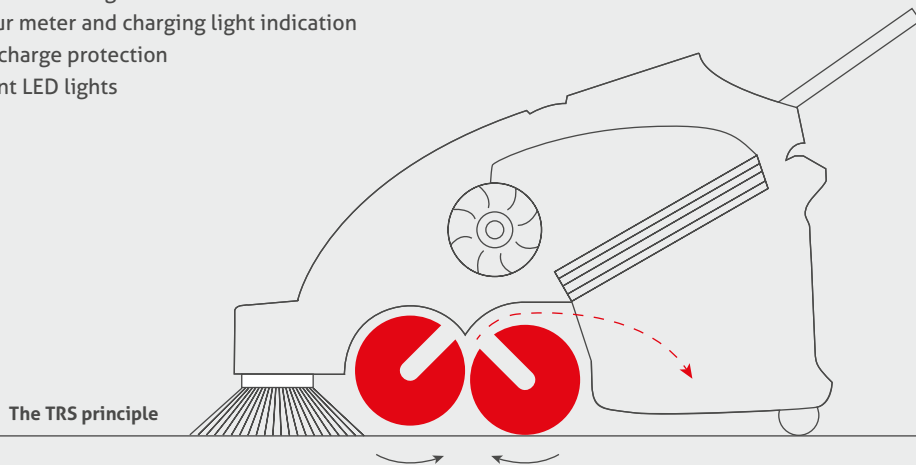

- + Two side brooms - folding out
- + Large front wheels
- + Forward traction
- + Center broom drive
- + Electric filter shaker
- + Electric suction
- + High battery specs
- + On-board charger
- + Hour meter and charging light indication
- + Discharge protection
- + Front LED lights

Opening of the dust box for throwing in large parts

Right unfolded side brush

The TRS principle

EQUIPMENT	BASIC	PLUS	PRO
Forward traction	no	yes	yes
Battery specs	12V 50Ah (C20) AGM	12V 75Ah (C20) AGM	2x 12V 50Ah (C20) AGM
Theoretical run time/hours	2	2	2,5
Battery charger	external	on-board	on-board
Charging indicator with discharge protection	yes	yes	yes
Hour meter	yes	yes	yes
Sweeping system	twin-roller-system	twin-roller-system	twin-roller-system
Sweeping width			
With folded-in side brushes (mm)	900	900	900
With folded-out side brushes (mm)	no	no	1100
2 side brushes	yes	yes	yes
Foldable side brushes	no	no	yes
Sweeping width - center brush	500	500	500
Center brush-drive	yes	yes	yes
Power transmission	belt-driven	belt-driven	belt-driven
Theoretical sweeping performance (m <sup>2</sup> /h)	3.600	3.600	4.400
Suction system	yes	yes	yes
Suction airflow	460 m <sup>3</sup> /h	460 m <sup>3</sup> /h	460 m <sup>3</sup> /h
Suction off-switch - for wet debris sweeping	no	yes	yes
Filter area	2,5	2,5	2,5
Filter type	water-repellent	water-repellent	water-repellent
Filter shaker	mechanical	mechanical	electric
Dirt-hopper size (L)	75	75	75
Machine dimensions (LxWxH in mm)	1085x820x710	1085x820x710	1085x820x710
Weight (empty in kg) inc. battery	98	114	124
Adjustable handle	yes	yes	yes
LED headlights	no	no	yes
